During the Book Fair, students will have the opportunity to preview and purchase books during the school day. At their preview time, students will fill out a Wish List to bring home and decide on the books they would like to purchase. Their purchase day will be listed on the Wish List. You may send in cash on the student's purchase day for the student to buy the books on their own. Students may also shop before school Tuesday-Friday from 8:45-9:15am both weeks.
